

CHEF'S COMBI receives innovation award in Italy

The HOBART CHEF'S COMBI was given the Lorenzo Cagnoni Award 2025 for Innovation at the SIGEP WORLD trade fair in Rimini.

Offenburg, January 23, 2025 – The new combi steamer from HOBART was only recently presented to the public in autumn 2024 and is already celebrating international success: At the SIGEP WORLD, the CHEF'S COMBI received the Cagnoni Award.

Everything you need – nothing you don't

With the CHEF'S COMBI, HOBART offers not only its renowned dishwashing technology but also a cooking appliance that impresses with its simple operation, powerful cooking programs, efficient cleaning, low operating costs and a very attractive purchasing price.

Steaming, grilling, roasting, poaching, baking or sous-vide cooking – the CHEF'S COMBI offers everything that professional chefs need and nothing that makes operation unnecessarily complicated. The combination of great value for money, high efficiency and cost-effectiveness convinced the expert jury and prevailed against all other products from competitors in this category.

Lorenzo Cagnoni Award

An expert jury of seven honors innovative products for the foodservice industry in seven categories, including equipment, technology and kitchen materials. The award will be presented for the second time in 2025 during the SIGEP WORLD and is named after the president of the IEG Italian Exhibition Group, who died in 2023.
